

The vision of the Erwin Hymer Group is to enable people worldwide to enjoy unique leisure and mobility experiences. As an international group of companies, we unite numerous caravan and motorhome manufacturers, accessory specialists, and rental and financing services under one roof. With passion and know-how, around 8,900 employees at our sites in Germany, France, Italy, the UK and China are constantly producing groundbreaking innovations. Together with our parent company Thor Industries, we form the world's leading manufacturer of recreational vehicles with over 31,000 employees and offer exciting career prospects.

This position is offered on-site in Bad Waldsee / Germany with a flexible home office option.
